# WARM DEBATE IN THE SENATE

Resolutions in Interest of Spanish Victims Cause Bitterness.

CONTEMPT FOR MR. CLEVELAND

He Is Characterized as a Stuggard by an Alabama Senator -- The House Discusses the Republican Declaration Regarding Efforts to Secure Bimetallic Agreement.

Washington, Feb. 26,-The senate had the Indian appropriation bill before it throughout all the day's session; but the fact did not prevent Cuba and the Sanguilly case from being fought over even in a more angry and excited manner than it had been yesterday. At the very opening Mr. Frye (Rep., Me.) referred to the despatch announcing Sanguilly's release today and deprecated further discussion on the matter saying that for his part he did not be lieve in wasting powder simply for the purposes of making a noise.

The Sanguilly resolution having been sent to the calendar, two other resolutions as to victims of Spanish cruelty were offered-one by Mr. Morgan (Democrat, Alabama), in the case of George Washington Aguirre and one by Mr. Call in relation to the suicide or murder of Dr. Ricardo Ruiz. As to Aguirre there was some comments on his bap-tismal name, Mr. Morgan assuming that it gave to Aguirre an additional claim upon American sympathy, and Mr. Lindsay (Dem., Ky.,) interpolating that his surrender, under a proclamation of amnesty, was an un-George Washington act. A letter from Mr. Ethan Allen, of New York, vouching for the young man, was read and Mr. Hoar was led in a jocose mood to inquire with an air of gravity, whether that was the Ethan Allen of the revolu-tion. Mr. Morgan said that he was the grand son of the revolutionary hero and another senator added the information that he was the president of the Cuban Junta of New York. The storm broke out again over the Sanguilly matter and Senators White (Dem., Cal.) and ed by many in the money market with Lodge (Rep., Mass.), had some delicate sparring in which Mr. White spoke ironically of Mr. Lodge as one of the great men of the world and as knowing more about Spanish pronunciation that all other Spanish scholars known, This was provoked by Mr. Lodge's sneering at Mr. White for pronouncing "Julio" as "Hulio." Mr. Lodge retaliated by imputing envy to the California senator because his long speech yesterday had not enthused the galleries. When Mr. Hale (Rep., Mc.), appealed to senators to lay aside all extraneous discussions and confine themselves to the business of appropriation bills for the six remaining days of the session (saying that he expected the senate to sit on Sunday) he was cruelly ridiculed by Mr. Morgan and told that he ought to start out on a regular tour of

CONTEMPT FOR MR. CLEVELAND. The Alabama senator was in a very unconciliatory mood. He refused angrily and with every mark of disre-spect, to permit either Senator Hoar or Senator Hale to interject a remark into his speech, but he reserved his bitterest words for President Cleveland, whom he described, contemptuously, as having been "down on his hunkers" praying to Spain to release Sanguilly: als a "sluggard, sleeping and snoring while Americans suffered."

children for his audience.

Mr. Morgan was on the floor over an hour. After he resumed his sent the bitterness faded out of the senate. In-stead of it there was a witty passage between Senators Daniel (Dem., Va.) and Grady (Dem., Del.) When the for-mer used the Spanish word, incomunicado, Mr. Gray assumed ignorance of its meaning and said he did not talk to moving their felting plant here, have Spanish. With a pleasant and gracious smile Mr. Daniel excused himself and said that he thought that the senator from Delaware had just been. The Needle Work guild wi talking very good Spanish. This polite retort (with his unexpressed but un- ficers this Saturday afternoon at 3 derstood meaning) provoked an outburst of laughter on the floor and in the gaileries, which were crowded all the day.

In the pleasanter turn which the discussion had thus taken the Cuban ques-tion was permitted to subside; and the actual consideration of the Indian appropriation bill was resumed. The bill had not been passed at 6 o'clock p. m., a recess was taken until 7.30 p. m.

# DEBATE ON BIMETALLISM.

The interpretation to be placed upon the declaration of the platform of the Republican national convention re- ings, which are in demand. garding the securing of an interna-tional bimetallic agreement, was the subject of an animated and at times exciting debate in the house today. The result was that so far as the record showed but three Republicans were of opinion that their party was committed to the single gold standard. mitted to the single gold standard.

C. W. Stone (Rep. Pa.), moved to sus-pend the rules and pass. The debate lasted two hours and was participated in by a dozen or more of the members. The principal speeches against the bill were made by Messrs. Quigg (Rep. N. Y.), Johnson (Rep. Ind.), and Knox, (Rep. Mass); and in advocacy thereof by Messrs. C. W. Stone (Rep. Pa.). McCreary (Dem. Ky.), Hepburn( Rep. Ia.), Dingley (Rep. Me.), and Gros-venor (Rep. O.) Mr. Dingley's speech was the first he had made for many weeks, and his appearance was greeted with applause. The bill was passed on a yea and nay vote-279 to 3.

The operation of the rule permitting motions to suspend the rules and pass bills began to run today for the remainder of the session, and under that rule the following measures were passed: Setting apart site in the city of Washington for a memorial build-ing to be erected by the Daughters of the American Revolution; providing for arbitration of labor troubles between the management of interstate commerce carriers and their employes; prohibiting the importation of impure and unwholesome tea.

IMPROVEMENT GRADUAL.

Business Growth for the Past Wesk Has Been More Encouraging.—Substantial Grounds for Confidence.

New York, Feb. 26.—R. G. Dun and company will say tomorrow in their weekly review of trade:

Genuine improvement in business does not come with a rush, like the breaking of a great dam. The growth for some weeks past has been more encouraging, because in nearly all lines it has been gradual and moderate. The rapid increase in the coke output in the Connellsville region which is now over 100,000 tons, gives prospect of moderate cost for fuel and the addition of important furnaces to the producing capacity prevents a large advance in bessemer pig, which has nevertheless advanced 10 cents at Pittsburg with increasing demand.
